UNSW provides comprehensive online services to assist students in administrating their candidature. The following web resources will help you to plan and complete your enrolment online:

**UniPass**
When you log into myUNSW to accept your offer from UNSW, you will be prompted to create a UniPass. This UniPass will allow you to access myUNSW until you have accepted your offer and enrolled. Once your acceptance has been confirmed and you have enrolled in at least one class, you must create a zPass (see below) and use that for all further access to myUNSW.

www.my.unsw.edu.au
You can enrol, pay your fees, check your timetable, and update your personal details through your student profile on myUNSW. Once you have completed your acceptance and initial enrolment, you log in using your student ID number with a ‘z’ in front, and your zpass.

www.handbook.unsw.edu.au
You can view your programs rules, structure and requirements through the online handbook at the address above. You can also view course descriptions and download the course outline.

www.timetable.unsw.edu.au
The timetable website gives you quick access to timetable information. Please note this information is refreshed overnight, so any changes will not be reflected until the following day.

**zPass**
zPass is the password that you use to log into many UNSW services, including my.unsw. To set this up, go to the UNSW Identity Manager web site: www.idm.unsw.edu.au and log in using your student ID number with a ‘z’ in front, and your UniPass. Click the button ‘Change zPass’ and you will be able to set up your zPass.

www.idm.unsw.edu.au
The Identity Manager website allows you to manager your UniPass and zPass passwords, and your UNSW email account attributes. The IDM website allows you to also change/update your passwords, and also to set or change your email alias.

https://login.microsoftonline.com
You can access your UNSW student email account (zMail) at https://login.microsoftonline.com using your Microsoft ID (eg: z1234567@zmail.unsw.edu.au) and Microsoft ID Password. All official University correspondence will be sent to your student email address. It’s essential that you check it regularly.

**FOR MORE INFORMATION AND OTHER KEY DATES, PLEASE SEE:**

[https://student.unsw.edu.au/dates](https://student.unsw.edu.au/dates)
All tuition, activity fees and student contributions are payable on a per semester basis, and unless otherwise specified, are due at the end of the first week of semester.

Payment Dates and Deadlines
For standard academic semesters (i.e. Semester 1 and Semester 2), the official University due date is generally the end of the first week of semester, unless specified otherwise on your statement. View the payment due dates on your fee statement or the Census and Payment Due Dates page: https://my.unsw.edu.au/student/fees/CensusDates.html

Students who do not pay all fees owing by the due date may have their enrolment cancelled. However, financial liability for these courses will be retained unless the courses are dropped prior to the relevant census date. In the event that a student whose enrolment has been cancelled is subsequently permitted to be reinstated, a penalty of $250 is payable together with all outstanding fees.

Under Government legislation, a Commonwealth Supported student who has elected not to provide their Tax File Number and has not made the required Student Contribution/HECS-HELP payment by the date set by the University must have their enrolment cancelled. Such students will not be permitted to undertake studies in their program in that semester.

Accessing your Fee Statement in myUNSW
Fee Statement and payment options are available online in myUNSW usually 2 weeks before the Teaching Period starts. You need the details on your Fee Statement for whichever payment method you choose:

1. Login to myUNSW: my.unsw.edu.au
2. Go to My Student Profile channel > Financials > Fee Statement and Payment Options
3. On the 'Select Fee Statement' page click on View Details for current semester
4. On the 'Fee Statement' page click on Payment Options
5. On the 'Statement Information page' scroll down and tick the box to acknowledge and consent to the Terms and Conditions, then click on Payment Options
6. On the 'Methods Of Payment' page select your payment method.

Note: Fees can also be paid through ANZ eGate without logging into myUNSW, e.g. if someone other than the student is making the payment.

If you have problems accessing your Fee Statement contact the Student Financials Team via email at: csandfees@unsw.edu.au, or Tel: 9385 8500.

Payment methods
- Paying at Australia Post: Payment by Cash, cheque, credit card (Visa, Mastercard or American Express only) or EFTPOS are accepted at any branch of Australia Post.
- Paying by Bpay (online or by phone): Log into or call your bank, credit union or building society to make an online or phone payment from your cheque, savings or credit card account (Visa, Mastercard or American Express only).
- Paying online via ANZ eGate (with or without myUNSW login): Payment by credit card through secure payment gateway, either with or without myUNSW login (Visa, Mastercard or American Express only).
- If paying from overseas, please email Treasury for instructions at email: treasury@unsw.edu.au

Note: If you have a current login to myUNSW, it is recommended that you use the credit card payment system available from the My Student Profile tab, as payments from there are credited to your account immediately.
A Commonwealth supported place is a higher education place for which the Commonwealth makes a contribution towards the cost of a student's education. The student also pays a contribution amount, which varies depending on courses undertaken, at rates approved by UNSW within ranges set by the Commonwealth (indexed annually).

Details on eligibility, Payment options, Discounts, Tax File number provision and Commonwealth Higher Education Student Support Number (CHESSN) is available online at: https://my.unsw.edu.au/student/fees/CSP.html

It is difficult to calculate your Commonwealth Support Student contribution until you have enrolled in your courses for the semester. Each course is under a contribution band, as shown in the table online at: https://my.unsw.edu.au/student/fees/StudentContribution.html, so depending on which courses you choose, and in which bands, a rough estimate of the cost can be determined. The majority of COFA courses are in Band 1.

**PLEASE NOTE:** Some courses may be charged at a higher band rate depending on the course content. The actual band for a specific course can be checked via the UNSW Handbook: [www.handbook.unsw.edu.au](http://www.handbook.unsw.edu.au)

**Student Services and Amenities Fee (SSAF)**
The SSAF contributes to the provision of amenities and non-academic services for students. These include: counselling, employment, orientation, career advice, child care, financial advice, health services, food services, sporting and recreational activities, student advocacy and legal services. The SSAF has also allowed the University to increase its funding of ‘Arc’, the University’s student organisation. The SSAF fee was implemented in 2012.

View the UNSW SSAF information online at: [https://my.unsw.edu.au/student/fees/SSAF.html](https://my.unsw.edu.au/student/fees/SSAF.html)

Eligible students have the option of taking out a loan for the fee under the SA-HELP scheme (similar to HECS-HELP or FEE-HELP).

**Further Information**
Further information is available online on the UNSW Fees page: [https://my.unsw.edu.au/student/fees/FeesMainPage.html](https://my.unsw.edu.au/student/fees/FeesMainPage.html) and in the Government's booklet, Information for Commonwealth Supported Students, available online at: [https://my.unsw.edu.au/student/fees/CS_info_booklet.pdf](https://my.unsw.edu.au/student/fees/CS_info_booklet.pdf)
Art & Design Peer Mentoring

Got questions about Uni life? Not sure who to ask? Want to get a head-start on making new friends and getting involved?

Beginning your first year at university can be both exciting and challenging. For lots of students the first couple of weeks are stressful – new people, new experiences, new expectations and demands. Uni life expects students to be self-reliant and self-motivated.

Art & Design’s Peer Mentoring Program can help you with the transition to University life and can provide opportunities for you to link up with both new and current students.

We invite all new undergraduate students to participate in the Peer Mentoring Program. Peer Mentors are all current Art & Design students, whose experience and mentor training means they can provide guidance and support for commencing students.
