### Units of Credit

1. For Design History Contextual studies: please see the list included in the 4818 Handbook entry
| **Semester** | The Academic year is broken up into two main semesters – Semester 1 (February to June) and Semester 2 (July to November). Summer semester runs November to January, which is an optional semester for students for enrolment |
| **Program** | Your program is your degree / qualification /award, made up of a structured sequence of core, major stream and elective courses. Some Programs are also Dual Awards |
| **Dual Award** | The concurrent study of two different programs leading to two awards. An example is the Bachelor of Fine Arts/Bachelor of Arts program |
| **Studio Stream** | Your studio stream is your chosen major/specialisation. In COFA Studio degrees, students choose two studio streams to follow. In some programs, students can choose to study a double studio stream in the one studio area, instead of two separate streams |
| **Course** | A course is a subject, which usually runs for the duration of the Semester. COFA courses may include a combination of studio classes, lectures, tutorials, lab classes, lab computer classes, field trips, or professional placements |
| **Unit of Credit (UOC)** | All courses have a unit of credit to indicate their weighting. Most courses are 6UOC, with some COFA courses 12UOC, 18UOC or even 24UOC. All Programs will have a UOC requirement for students to meet to graduate |
| **Core Course** | A core course is a course that all students are required to complete as part of their program requirements |
| **Elective** | An elective is a course that students can choose to take either within the COFA Faculty or from another UNSW Faculty |
| **Prescribed Elective** | A course where the program specifies that a student must select electives from a specified list of courses. |
| **General Education** | All undergraduate degree students are required to complete some courses from outside their Faculty. This contributes to the breadth of learning requirement in programs (not applicable to dual award students). |
| **Course Authority** | This is the course coordinator or lecturer. |
| **Program Authority** | This is the coordinator or your Program/Degree |
| **WAM** | A Weighted Average Mark (WAM) is the average mark in the units of study completed by a student, weighted according to the credit point value and academic level of the particular unit. |
| **Pre-requisite** | A pre-requisite is a requirement (usually specific course or knowledge) that you require before you can enrol in a course. |
UNSW provides comprehensive online services to assist students in administering their candidature. The following web resources will help you to plan and complete your enrolment online:

**UniPass**

When you log into myUNSW to accept your offer from UNSW, you will be prompted to create a UniPass. This UniPass will allow you to access myUNSW until you have accepted your offer and enrolled. Once your acceptance has been confirmed and you have enrolled in at least one class, you must create a **zPass** (see below) and use that for all further access to myUNSW.

**www.my.unsw.edu.au**

You can enrol, pay your fees, check your timetable, and update your personal details through your student profile on myUNSW. Once you have completed your acceptance and initial enrolment, you log in using your student ID number with a ‘z’ in front, and your zpass.

**www.handbook.unsw.edu.au**

You can view your programs rules, structure and requirements through the online handbook at the address above. You can also view course descriptions and download the course outline.

**www.timetable.unsw.edu.au**

The timetable website gives you quick access to timetable information. Please note this information is refreshed overnight, so any changes will not be reflected until the following day.

**zPass**

zPass is the password that you use to log into many UNSW services, including my.unsw. To set this up, go to the UNSW Identity Manager web site: **www.idm.unsw.edu.au** and log in using your student ID number with a ‘z’ in front, and your UniPass. Click the button ‘Change zPass’ and you will be able to set up your zPass.

**www.idm.unsw.edu.au**

The Identity Manager website allows you to manage your UniPass and zPass passwords, and your UNSW email account attributes. The IDM website allows you to also change/update your passwords, and also to set or change your email alias.

**https://login.microsoftonline.com**

You can access your UNSW student email account (zMail) at **https://login.microsoftonline.com** using your Microsoft ID (eg: **z1234567@zmail.unsw.edu.au**) and Microsoft ID Password. All official University correspondence will be sent to your student email address. It’s essential that you check it regularly.

https://student.unsw.edu.au/dates
All tuition, activity fees and student contributions are payable on a per semester basis, and unless otherwise specified, are due at the end of the first week of semester.

**Payment Dates and Deadlines**
For standard academic semesters (i.e. Semester 1 and Semester 2), the official University due date is generally the end of the first week of semester, unless specified otherwise on your statement. View the payment due dates on your fee statement or the Census and Payment Due Dates page: https://my.unsw.edu.au/student/fees/CensusDates.html

Students who do not pay all fees owing by the due date may have their enrolment cancelled. However, financial liability for these courses will be retained unless the courses are dropped prior to the relevant census date. In the event that a student whose enrolment has been cancelled is subsequently permitted to be reinstated, a penalty of $250 is payable together with all outstanding fees.

**Under Government legislation, a Commonwealth Supported student who has elected not to provide their Tax File Number and has not made the required Student Contribution/HECS-HELP payment by the date set by the University must have their enrolment cancelled. Such students will not be permitted to undertake studies in their program in that semester.**

**Accessing your Fee Statement in myUNSW**
Fee Statement and payment options are available online in myUNSW usually 2 weeks before the Teaching Period starts. You need the details on your Fee Statement for whichever payment method you choose:

A Commonwealth supported place is a higher education place for which the Commonwealth makes a contribution towards the cost of a student's education. The student also pays a contribution amount, which varies depending on courses undertaken, at rates approved by UNSW within ranges set by the Commonwealth (indexed annually).

Details on eligibility, Payment options, Discounts, Tax File number provision and Commonwealth Higher Education Student Support Number (CHESSN) is available online at: https://my.unsw.edu.au/student/fees/CSP.html

It is difficult to calculate your Commonwealth Support Student contribution until you have enrolled in your courses for the semester. Each course is under a contribution band, as shown in the table online at: https://my.unsw.edu.au/student/fees/StudentContribution.html, so depending on which courses you choose, and in which bands, a rough estimate of the cost can be determined. The majority of COFA courses are in Band 1.

**PLEASE NOTE:** Some courses may be charged at a higher band rate depending on the course content. The actual band for a specific course can be checked via the UNSW Handbook: www.handbook.unsw.edu.au

**Student Services and Amenities Fee (SSAF)**
The SSAF contributes to the provision of amenities and non-academic services for students. These include: counselling, employment, orientation, career advice, child care, financial advice, health services, food services, sporting and recreational activities, student advocacy and legal services. The SSAF has also allowed the University to increase its funding of ‘Arc’, the University’s student organisation. The SSAF fee was implemented in 2012.

View the UNSW SSAF information online at: https://my.unsw.edu.au/student/fees/SSAF.html

Eligible students have the option of taking out a loan for the fee under the SA-HELP scheme (similar to HECS-HELP or FEE-HELP).

**Further Information**
Further information is available online on the UNSW Fees page: https://my.unsw.edu.au/student/fees/FeesMainPage.html and in the Government's booklet, Information for Commonwealth Supported Students, available online at: https://my.unsw.edu.au/student/fees/CS_info_booklet.pdf
Got questions about Uni life? Not sure who to ask? Want to get a head-start on making new friends and getting involved?

Beginning your first year at university can be both exciting and challenging. For lots of students the first couple of weeks are stressful – new people, new experiences, new expectations and demands. Uni life expects students to be self-reliant and self-motivated.

Art & Design’s Peer Mentoring Program can help you with the transition to University life and can provide opportunities for you to link up with both new and current students.

We invite all new undergraduate students to participate in the Peer Mentoring Program. Peer Mentors are all current Art & Design students, whose experience and mentor training means they can provide guidance and support for commencing students.
