We are delighted to present the 1987 Douglass Art Award and express our profound thanks to Dr. Bronte Douglass for his generous ongoing sponsorship of this most important event.

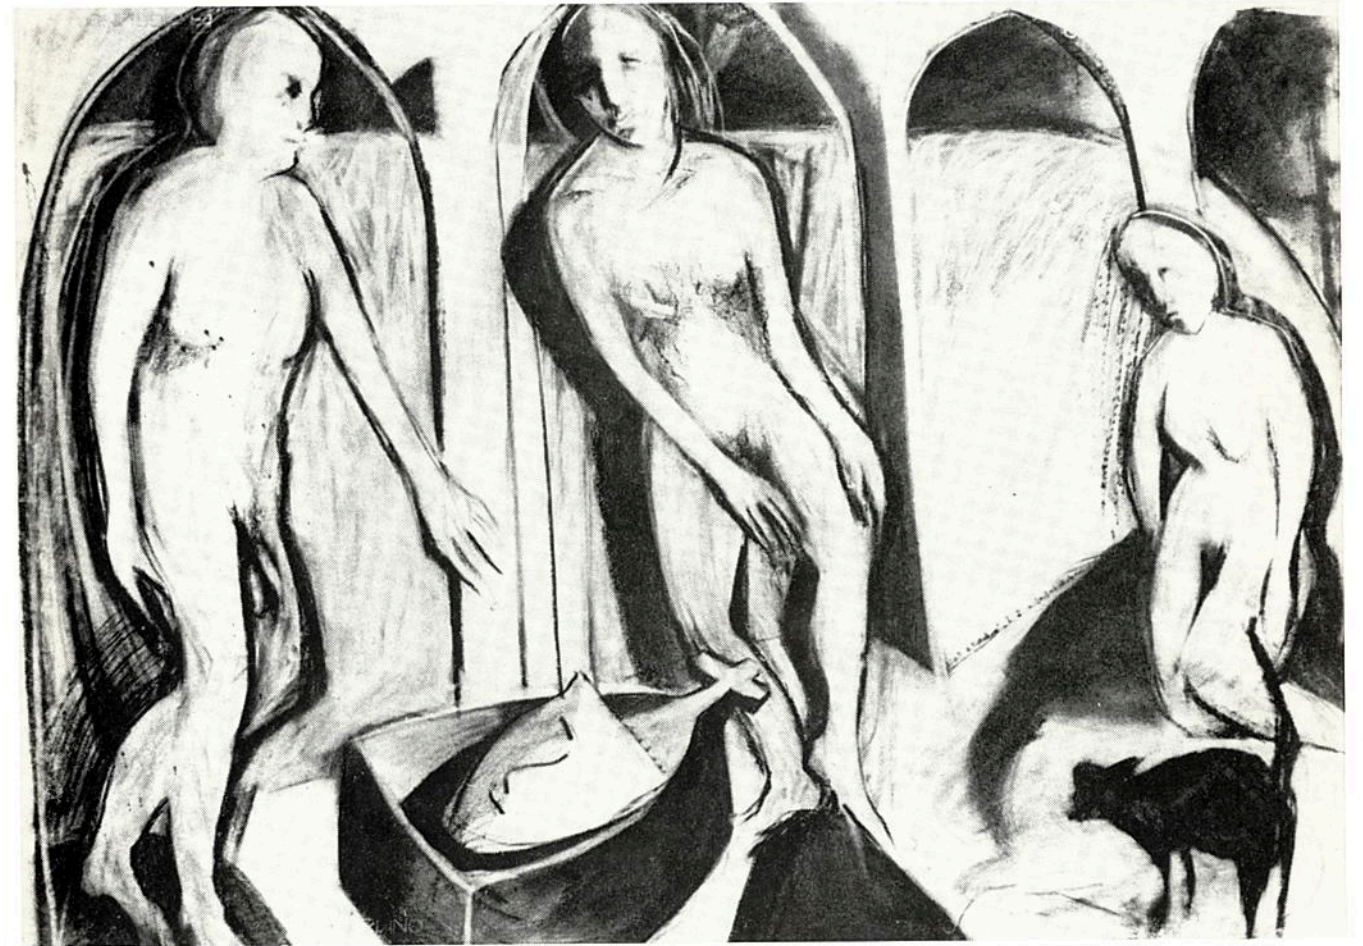

The Award this year consists of two acquisitive prizes each of \$2,000 to encourage and assist talented recent graduands of the City Art Institute to travel, undertake further study or to commence professional practice. The awards will be presented at an exhibition of selected entries to be held in the Ivan Dougherty Gallery in February/March 1987 to coincide with the Institute's orientation program for new students.
